## Prayer Forum Guidelines

- *You may post any prayer request that is on your heart. Be aware that this forum is constantly growing so your request will most likely encounter a sizable audience. If you share something personal, please be tactful. It may be needful to generalize or even omit some details.*
- *Please keep inspirational messages down to a minimum. Although these messages bless and edify, too many may deflect from the actual purpose of this particular forum, which is prayer.*
- *Please do not advertise for political or business purposes.*
- *Please do not solicit financial aid, goods or services on the forum. We ask that you contact the church office at 702-6555 if such a need should be discussed.*
- *If you would like to respond to a prayer request, please be advised that ‘reply’ will forward your response to everyone in our online prayer group. Because of the potential for starting a discussion thread, generating many emails, and filling up mailboxes, we ask that you keep replies brief and limit them to words of support and encouragement. If you would like to provide the original writer of a prayer request additional information, please respond offline by composing a new mail message to that individual.*
- *We will try to keep the forum free from spam mail. If spam occurs, we will do our best to handle it efficiently and tactfully.*
- *Please remember to sign your first AND last name when you post a prayer request. Also, briefly indicate if you are a member or if you regularly attend Harvest Church. This is very important. The Pastoral Staff would like to be aware of your needs and if we don’t know who you are, it presents a challenge.*
- *Lastly, please remember to PRAY! These requests mean so much to those who ask for prayer. In other words, we are counting on you.*
